<http://www.chattanoogaengineersweek.com>

******Next luncheon meeting - Tuesday, March 17th at Noon******
Presentation on the Chickamauga Lock

Southeast Student Conference (SESC)

The ASCE SESC is coming to UTC **March 19-21** and needs your help! This is a very exciting event and offers the opportunity to showcase our community. Volunteers (judges, help parking cars, etc), resource donations, and sponsors are needed. Please reach out to any branch officer or email ASCECONFERENCE2015@gmail.com for more information on how you can help.

Contact Any Chattanooga Branch Officer for More Information:

Andrew Romanek, President, 423.771.4495

Will Witcher, Vice President, 423.855.0400

Maria Price, Secretary, 423.521.2484

Ben Byard, Treasurer, 423.751.2487

Check out the branch website at <http://ascechatt.wordpress.com>

Engineering Supplies Needed

Do you have an extra scale laying around? An extra calculator? ACE (Architecture, Construction, and Engineering) Mentor Program for high school students is looking for donations of items used in engineering projects.

If you would like to donate, please contact Caitlin Moffitt at Caitlin.moffitt@chattanoogastate.edu

More info on ACE:

www.acementor.org/chattanooga

STEM School Chattanooga Career Fair

STEM is having a Career Fair on Friday March 6th from 2:00-4:00pm and is seeking professionals in STEM related fields to invite as career and company representatives (man a booth & optional classroom presentation)

Contact: Michelle Was
was_m@hcde.org

Committee Members Needed

The TN Section Report Card and History & Heritage Committees are looking for volunteers.

Working on the Report Card primarily involves reviewing reports by others on bridges, roads, etc. An example Infrastructure Report Card is on the TN Section website.

Participation provides a name recognition opportunity via the press that the Report Card will receive. For more information on the Report Card committee, contact Monica Sartain (msartain@patrioteng.com).

The History & Heritage committee has several objectives, including raising awareness about civil engineering achievements in TN and getting structures registered as National Landmarks.

For more information on the History & Heritage committee, contact Ken Barry (kbarry@smeinc.com).
