

June 6th Meeting

Topic: Urban Flood Control

Jesse Waddell, P.E. with Ogden Environmental and Energy Services, Huntsville Office will speak at the June 6th meeting. He will talk about solutions for Urban Flood Control and the proposed flood control program the City of Huntsville is considering for the Aldridge Creek Watershed. Jesse has a B.S. in Aviation Management (1971) & Civil Engineer (1977) from Auburn University and a M.S. in Civil Engineering from University of Tennessee, 1982.

Cost of the luncheon is \$10.00 (\$5.00 for students). If you do not hear from the telephone committee by noon on Friday, June 2nd, please call in your reservation to Art Hargrove at 544-7964 or email him at arthur.hargrove@msfc.nasa.gov.

Dr. John Gilbert Honored By ASCE

It is my pleasure to inform you that Dr. John Gilbert has won the award for the outstanding faculty advisor for Zone II of the ASCE. This encompasses 70 ASCE chapters so that John had to beat out some stiff competition. The award will be presented at a section meeting some time this summer. We should all take special consideration to attend this important ceremony when it happens.

Remember that this award reflects well on our ASCE chapter, as well as on John as an individual. Please send him your hearty congratulations.

Johnny Ozier - Director for the Huntsville Branch to State ASCE Board

Bob Talianko will be retiring as Director of the Huntsville Branch to the State ASCE Board, and Johnny Ozier will be taking his place. Thank you Bob for all your hard work!

Memorial to Bill Hilyer

Mike Moran is working on a memorial to Bill Hilyer for the Annuals of Civil Engineering. If you have anything you would like to add regarding your friendship to Bill please send it no later than

May 30. Send it to mikem@mta-inc.com or 688 Discovery Drive, Huntsville, AL 35806-2802.
