

5 PDH's for \$60

# Concrete Pipe Symposium

5 PDH's for \$60

Presented by the Illinois Concrete Pipe Association  
Wednesday, October 21, 2009, 9:30 AM – 3:00 PM

Hilton Garden Inn, 360 Regency Park Drive, O'Fallon, Illinois

***Presentations:***

***RCP Pipes, Boxes & IDOT by Marvin L. Traylor, Jr., Ph.D., P.E., Illinois Concrete Pipe Association***  
Dr. Traylor will discuss ASTM design specifications for RCP and box culverts, design software, Illinois Department of Transportation (IDOT) certification requirements for RCP and box culvert producers, and IDOT's policy regarding pipe material selection.

***Installation Inspection of RCP by Glenn Clayton, P.E., Illinois Concrete Pipe Association***  
Glenn will discuss the relationship between design and installation of pipes, IDOT's pre-installation visual inspection criteria, and proper handling and installation procedures for RCP.

***Comparing Concrete, Plastic & Metal Storm Sewer Pipe by Mark Chinery, Missouri-Kansas Concrete Pipe Association***

Mark will compare the basic design parameters for concrete storm sewer pipe and its major competitors; metal pipe and high-density polyethylene pipe. He will cover the strengths and weaknesses, both physical and chemical, of each different kind of pipe, including the differences in installation techniques and examples of good installations for each.

***Newly Revised "Standard Specifications for Water & Sewer Main Construction in Illinois" by Glenn Clayton, P.E., Illinois Concrete Pipe Association***

Glenn, as a member of the State Standard Specifications Committee, will discuss the process of producing the recently-released 6<sup>th</sup> edition of the *Standard Specifications for Water & Sewer Main Construction in Illinois* and the major changes from the previous edition.

The seminar includes the Hilton's "Deli Delight Lunch Buffet", Concrete Pipe Design Manual on CD, DASH software on CD, presentation notes, and a certificate for 5 PDH's. The Hilton Garden Inn is conveniently located at 360 Regency Park Drive, near the northwest corner of I-64 and Green Mount Road in O'Fallon, Illinois. Space is limited, so please register early. The registration deadline is Friday, October 16, 2009. Please fill out the registration form below and mail with check for \$60 payable to "Illinois Concrete Pipe Association". Please mail to Illinois Concrete Pipe Association, 5 S. 710 Steeple Run Drive, Naperville, Illinois 60540. For further information, contact Glenn Clayton at 630-673-0140 or [icpamd@aol.com](mailto:icpamd@aol.com).
