Vice President's Message

Dear Alaska Capital Engineers and Fellow Professionals,

Our May luncheon this week features John Neary who is director of the Mendenhall Glacier Visitor Center with the USDA Forest Service in Juneau. John will share some of the challenges of Accommodating over 570,000 annual visitors and residents who value the Mendenhall Glacier Recreation Area and some of the innovative solutions they are planning for future infrastructure.

The Alaska Capital Engineers issued two scholarships this year to graduating seniors. From JDHS, Adam Spiech and from TMHS, Chase Saviers. Adam is planning to attend the University of Nevada Reno in the fall; and Chase is planning to attend Southwestern Oregon Community College.

The Halibut Feed is Friday, June, 9th. Rain or shine, this is always a fun event and a chance to meet with families at Saviko Park in Douglas.

After the Halibut Feed, we take a summer break; and will return in late August or early September with our annual election of officers. Please consider serving or serving again. It is a very rewarding way to give back locally to the engineering profession.

Contact any of the current officers if you have any questions, ideas or concerns. Have a great summer,

Michael C. Story, PE
ASCE Juneau Branch Vice President

News Briefs

Election Open: ASCE Presidential Hopefuls Answer Your Questions

May 1, 2017

Kancheepuram (Guna) N. Gunalan, Ph.D., P.E., D.GE., F.ASCE, vice president of alternative delivery at AECOM, and Robin A. Kemper, P.E., LEED AP, F.SEI, F.ASCE, a senior risk engineering consultant for Zurich Services Corp., are the

ACE 2017 Scholarship Recipients

Thunder Mountain High School

Chase Saviers

Chase plans to attend Southwestern Oregon Community College. With hopes of returning to Juneau to work as an engineer.

Juneau-Douglas High School

Adam Spiech

Adam is planning to attend the University of Nevada Reno in the fall. Adam plans to pursue a degree in mechanical engineering.

***The JDHS and TMHS scholarship awards ceremonies aren't until later this month so if you happen to know either of the scholarship recipients please hold off on congratulating them until after they have been presented with their scholarships.**

Professional Development Hours

The ASCE Juneau Branch will provide electronic continuing education development hour certificates for those who are interested in tracking development hours received by attending the Alaska Capital Engineers Luncheons to hear speakers present on engineering topics. Certificates can be found on the branch webpage <http://branches.asce.org/juneau/>

ASCE Juneau Branch Officer Nominations

If you know someone that you think would make a good ASCE Juneau Branch Officer feel free to nominate them for the 2017-2018 year. For more information or to submit a nomination please contact one of the current Juneau Branch Officers. Being an ASCE Branch Officer is a rewarding experience and helps to provide great resources to our community.

Engineer of the Year and Project of the Year

Congratulation to our winners of Engineer of the Year and Project of the Year. Remember to keep an eye out for EOTY and POTY nominations for the 2017-2018 award.

New Branch Website

The Juneau Branch of ASCE has a brand new website. Bookmark this website for easy access to the events calendar, PDH certificates, new and archived newsletters, contact information and much more.

For questions or concerns regarding the Juneau Branch ASCE website please contact Ethan Roemeling
