

# SEPTEMBER 2022 MEETING ANNOUNCEMENT

This month we will be hearing from:

***Chris Croft and Edith McKee***

Title:

***Wasilla Main Street Rehabilitation Project***

**Chris Croft, PE:** Chris brings his 10+ years of highway design experience to lead the development of this project. He obtained his Civil Engineering degree from the University of Washington.

**Edith McKee, PE:** Edith has been with HDR since Feb 2020 and assumed the project manager role for this project. She has 18 years of roadway design experience and is a lifelong Alaskan.

The Alaska Department of Transportation and Public Facilities (DOT&PF) in cooperation with FHWA propose to improve mobility for people and freight within the downtown core of Wasilla. The Wasilla Main Street Rehabilitation Project consists of improvements and traffic pattern changes to the Parks Highway, Main Street, Knik-Goose Bay (KGB) Road, Yenlo Street, and Talkeetna Street. The project will construct a north-south couplet with dedicated pedestrian and bicycle facilities.
