

SEPTEMBER 2023 MEETING ANNOUNCEMENT

This month we will be hearing from:

Aaron J. Havel, PE, Janie G. Dusel, PE, and Nick Oliveira, PE

Title:

Parks Hwy MP 99-163 Drainage & Culvert Improvements

Aaron and Janie are water resource engineers at AWR Engineering, LLC and Nick is a Principal Civil Engineer at HDL Engineering Consultants, LLC. Together they will give a presentation about the Parks Highway Milepost 99-163 Drainage & Culvert Improvements project. This project is being developed by the Alaska DOT&PF in cooperation with the FHWA. Throughout the project corridor, various culverts and drainage infrastructure are exhibiting signs of deterioration including pipe corrosion, drainage channel blockage, inlet and outlet scouring, and other deficiencies. Approximately 200 culverts in the project corridor are anticipated to be evaluated and potentially improved with this project; many were installed more than 50 years ago when the Parks Highway was initially constructed. The Department is focusing on improving the culverts in the most critical condition first.

WHEN: Sept 13, 2023 1200 - 1300

WHERE: Mat-Su College, Room JKB 128

LUNCH: \$10 for PIZZA
