

2018 Nashville Branch ASCE Scholarship

It is that time of year when students are starting to think of what may be ahead for them in the upcoming school year. For the parents and the students' the ever increasing expenses of higher education are fresh on their minds.

The Nashville Branch membership has been generous and has provided some assistance for the Civil Engineering students at our four local universities. The Nashville Branch has granted almost \$150,000.00 in scholarships the last 24 years to junior, senior and graduate Civil Engineering students. We will typically award three scholarships to those students who demonstrate the quality and standard that meets the goals of the Nashville Branch.

We continue to encourage students at LU, TSU, TTU and VU to take advantage of this program. Do not forget that students working toward a graduate degree in Civil Engineering are also eligible.

The scholarship program is also available to the children of **current members of the Nashville Branch who are enrolled in Civil Engineering**, regardless of the school they attend.

Please look to your ASCE Student Chapter Advisor, The Level Line and the branch web site <http://branches.asce.org/nashville/resources> for a copy of the application and more information.

The application deadline (by mail or email) is **midnight March 30, 2018**.

NASHVILLE BRANCH
2018 SCHOLARSHIP PROGRAM**

ABOUT THE SCHOLARSHIP:

The 2018 ASCE - Nashville Branch Scholarship is intended to be awarded to multiple recipients. Eligibility is open to any student of the four engineering universities; Lipscomb University, Tennessee Tech University, Tennessee State University, and Vanderbilt University and children of current members of the Nashville Branch enrolled in Civil Engineering (regardless of location). It is the intent of the Nashville Branch to continue this as an annual program to assist civil engineering students in their studies.

WHO MAY APPLY:

Engineering students who:

- (1) will be juniors, seniors or graduate students majoring in Civil, Environmental or Structural Engineering;
- (2) highlight if there is a financial need;
- (3) have a grade point average of at least 2.5 or better on a 4.0 scale;
- (4) are presently enrolled full-time (at least 12 credit hours) and in good standing with the university;
- (5) are citizens of the United States.

INSTRUCTIONS:

- (1) Complete the application form.
- (2) Write a one-page letter about yourself, your background and your goals etc.

All completed forms and letters must be returned to:
