Dear ,

I hope everyone is doing well and staying safe. I hope everyone was able to take a break and enjoy the July 4th weekend with family and friends in our new normal including masks, social distancing, and virtual gatherings.

The Nashville Branch board is working to determine how to safely continue with events that bring value to our members. Therefore, we are planning to continue with our virtual meetings. We had planned to move the April Awards dinner to August and honor the award winners, scholarship winners, and newest Lifetime Members at that time. We have revised that plan to hold the 2020 and 2021 Awards dinner at the same time as the 100th Anniversary Celebration in April 2021. Look for more information as planning continues.

We are planning to move forward with the Annual Scholarship Fund Golf Scramble and Lunch. Look for more information below and in a future Level Line.

If you have an idea for a presentation that would translate well to a virtual meeting, please let [me](#) or [Kenneth Perkins](#) know. During this time of virtual meetings, we have the potential to pre-record meetings and have the speaker available for questions. Additionally, we can consider presenters from outside of Nashville and middle Tennessee. Please let us know of ideas.

Again, I know that these are difficult times. If there is anything that your ASCE family can assist you with at this time, please let me know [HERE](#).
