Greetings!

Thank you to our attendees at the May Branch Meeting, who enjoyed a great presentation from Sonia Allman and John Barnett with Metro Water on the 8th Avenue Reservoir Renovation project. It was a great way to recognize the 6th Annual Infrastructure Week locally.

Looking forward, the Branch is beginning to lay out the remainder of our year, and this includes both Elections and volunteers for Committees. If you are interested in supporting your profession in another capacity, please email myself or another member of our Board for more information.

We'll be happy to share with you the many ways you can be involved.

Sincerely,

Clint Camp, P.E., M.ASCE  
 Nashville Branch President

**Education Outreach**

**School Supply Drive at July Lunch Meeting**

We will be collecting school supplies and donations for the LP Pencil Box at the July Branch Lunch Meeting.

The LP PENCIL Box is a non-profit partner with Metro Nashville Public Schools (MNPS) that works to obtain and warehouse school supplies for teachers across MNPS. You can learn more about the LP PENCIL BOX [HERE](#). Many of the students in MNPS are at or below poverty levels, which means an estimated 9 out of 10 teachers are likely using their own money to provide school supplies for their students. Local teachers have the opportunity to "shop" once per semester for FREE school supplies at the warehouse, often picking up the

basic supplies (glue, crayons, paper, backpacks) for students in their classrooms that otherwise would go without. Also, teachers can't use school funds to purchase cleaning supplies like wipes, etc. to clean up from very cool, but sometimes messy hands-on projects that they do with their students. Everything in the store is donated, so the LP PENCIL Box relies on groups like ours to help them fill the bins with the necessary supplies for teachers.

Key items needed right now are listed below (new items only):

- Backpacks
- Notebooks (spiral, college and wide ruled, composition)
- Cleaning supplies
- Hand Sanitizer
- Tissue Boxes
- Zip lock Bags
- Pencils (No. 2 and Colored)
- Dry Erase Markers
- Calculators
- Rulers, Compasses and Protractors
- Paper (graph, construction, copy, loose leaf, butcher, specialty)
- [And the list goes on...](#)

Also, if you or your office has been cleaning over the summer and have gently used 3-ring binders, clip boards, staplers, tape dispensers, hole punchers, or letter-sized file folders, please consider donating them as well.

## Younger Member Group

### 2018 Rock N Roll Marathon

The ASCE YMG was excited to be able to participate in the 2018 Nashville Marathon which featured over 20,000 runners! We volunteered at Water Station #3 along Belmont Boulevard where we hydrated runners and also cheered them on to victory! This was an amazing experience and we would like to thank all those who volunteered from the

Nashville ASCE Branch as well as those from Vanderbilt's ASCE Student Chapter!

### **Second Harvest Food Bank**

During our volunteer outing at the Second Harvest Food Bank Distribution center we were tasked with sorting through produce items. We sorted through multiple bins of food items, sorting the good produce from the not so good produce. The food we sorted would go on to be provided for those in the community of need. We are happy that we were able to take time to help those in need.
