Dear ,

Thank you to everyone that participated in the first Nashville Branch virtual meeting. We had over 70 attendees to hear Paul Degges (TDOT), Rodney Chester (Gresham Smith), Chris Gwaltney (Lipscomb University) and Michael Rankin (Crane Construction) speak on "Life after COVID-19." We will continue with virtual meetings in June and July. Save the date for the Awards Dinner to be held on August 19. We will recognize our award winners (recognized in the May Level Line), scholarship recipients (recognized in the April Level Line), and our newest Life Members (recognized below).

I want to mention the outrage and heartbreak that I feel about the attacks and violence against people of color. I want to reiterate the Unity message that ASCE leadership has distributed. It states "As a community of global leaders dedicated to the safety, health and welfare of the public, ASCE is committed to maintaining the highest standards of integrity, fairness, dignity and respect for all. These tenets form the very foundation of our Society, embodied in our Code of Ethics that includes equitable and fair treatment of all persons as a fundamental canon. ASCE remains deeply committed to these principles." The full statement can be found on the website [HERE](#).

We would like to remind everyone that now is the time for firms to sign up for a Sustaining Membership. This year we are excited to continue offering two levels of sponsorship. Your firm can support the award-winning ASCE Nashville Branch with a Sustaining Member Corporate Sponsorship (\$300) or a Branch Meeting and Corporate Sponsorship (\$600). For more information about the two levels and the benefits of Sustaining Membership, or to join or renew your sustaining membership online, click [HERE](#).

Again, I know that these are difficult times. If there is anything that your ASCE family can assist you with at this time, please let me know [HERE](#).
