North Jersey Branch

The Geotechnical Technical Group Presents:

“Present and Future Developments in the Meadowlands”

- Speaker:** Thomas Marturano, PE, Director of Solid Waste and Natural Resources, New Jersey Meadowlands Commission
- Date:** Thursday, April 3, 2008
- Time:** 5:30 PM to 8:30 PM (Registration, Meet/Greet, Dinner, Presentation)
- Location:** THE NEWARK CLUB, One Newark Plaza, Newark, New Jersey
- Cost:** \$60 ASCE Members, \$65 Non-Members, \$50 Government Employee with ID, and \$25 Full Time Students with ID
- Register:** RSVP by March 31, 2008. Send Name, phone number, and e-mail address to M. Golam Kabir, gkabar@converseconsultants.com, (973) 428-0934 x 137 or Register online at <http://branches.asce.org/northjersey> and click on the RSVP button included on the website.

Tom will be presenting an overview of the present and future developments in the Meadowlands area. This includes EnCap, Xanadu, Giants Stadium, Solar power Initiatives, Landfill Remediation, Wetlands Enhancement and mitigation banking and LEEDS program. The presentation will explain how each of these major components fit into the NJMC's Master Plan and the technical challenges facing each of these projects.

Biographical Sketch: Thomas Marturano is the Director of Solid Waste and Natural Resources for the New Jersey meadowlands Commission. Tom has been with the Commission for 24-years. Tom is a registered engineer and a member of ASCE.
