

## **Meeting Minutes**

September 11, 2008

Old Chicago, 7626 E Kellogg, Wichita

President Jessica Rhein called the meeting to order at 11:40. She noted this month's meeting was a joint meeting with WSPE and introduced the WSPE officers. She then introduced Slade Engstrom who introduced the speaker Mr. Terry Grote from CFS. Terry spoke on the progress of the East Kellogg reconstruction project. Terry spoke to the construction schedule, noting the project is on track for completion in Nov. 2009. Terry as noted some of the quantities used to date and projected. Terry also gave a description of the proposed Rock Rd. Bridge which is to be 12 lanes wide; and wider than it is long. Terry then answered questions before splitting the group up to go on walking tours of the project site. The meeting concluded at 1:30 pm.
