

Branch Leadership Team

President – Richard D. Beck, Jr., P.E.
Vice- President – Lauren Meffe Treasurer – Brian P. Johnson, P.E.
Secretary – Mohammad Moin Uddin Program Chair – Mohhamed(Moe) Al Saji
Ph.D., P.E.

Professional Development Presentations: Two presentations: One presentation was organized by Holston Branch and another via Knoxville Branch. Each requesting attendee received one PDH certificate.

The Holston Branch held a virtual meeting on January 19th. We had 39 attendees. The speaker was Mr. Ted A. Kniazewycz, P.E. He presented the emergency repairs on the Hernando de Soto bridge on I-40 over the Mississippi river.

ASCE Knoxville Branch was gracious to offer an opportunity for Holston Branch members to join their February meeting on Feb 15. The topic was “The Making of the UTK Gateway to Engineering” presented by Li Wang, AIA, LEED AP BD+C; Greg Presnell, P.E.; Brent Thornton, P.E.; Helen S. Hennon, P.E.

Holston Branch Officer Meeting:

The Branch Officer meeting was held virtually on Feb 2, 2022. Topics discussed:

- Planning and scheduling of future meetings
- Election cycle
- Branch Website, which is functional now at <https://branches.asce.org/holston/>
- Scholarship for TTU-ETSU Joint Engineering Program

If you would like additional information about our branch or upcoming meetings please contact us at asce.holston@gmail.com

Submitted,

Richard D. Beck Jr., P.E.
President, Holston Branch
