

Alaska Capital Engineers

A branch of the American Society of Civil Engineers

**March Monthly Luncheon Topic:
Juneau's Glacial Flooding: 2025 Updates and Ongoing
Research**

***Presented by: Eran Hood
UAS Professor of Environmental Science***

Location: UAS Rec Center Room 116

Date: March 20th at 12 PM

Cost: \$20 (includes lunch)

Eran Hood is a Professor of Environmental Science at the University of Alaska Southeast. His primary research interests are in Hydrology and Biogeochemistry and he has over 20 years of research experience in coastal Alaska. Much of his recent research has focused on how runoff from glaciers, including outburst floods, impacts downstream ecosystems. He has studied outburst flood at Mendenhall Glacier in Juneau since its inception in 2011 and works closely with the City and Borough of Juneau and partners at the National Weather Service and the U.S. Geological Survey to monitor and forecast the ongoing flood events at Mendenhall.

Announcements and More!

Thank You For Your Support!

The Alaska Capital Engineer's Scholarship Fundraiser and Awards Banquet was held last month. The event featured recognition of the 2024 Outstanding Project of the Year, the 2024 Outstanding Engineer of the year, and a keynote speech from CBJ Manager Katie Koester. Scholarship applications are currently open and the recipients of the scholarships will be announced in May. Thank you to our sponsors and attendees who made this event possible!
