November Presentation:

JEDC and Juneau's Economy

Brian Holst
JEDC Executive Director

MEETING LOCATION:
University of Alaska, Auke Bay
Campus
UAS Recreation Center Room 116
See Attached Map
Date: November 1st
Time: 12:00 PM
Cost: \$20 (includes lunch)

Each year, the Juneau Economic Development Council publishes its Juneau and Southeast Alaska Economic Indicators and Outlook Report that explores trends in employment and earnings, demographics, education, construction, business and industry, and more. JEDC and Juneau's Economy will present key findings related to Juneau's changing population, the status of the government sector, housing demand, employment in the main sectors, and the city's attractiveness to potential migrants. Through sharing this research, JEDC hopes to increase awareness and engage citizens in local and regional economic issues.

Brian Holst has served as the JEDC Executive Director since 2008 and drives strategic development, management of the institution's human and financial resources, and implementation of the Board's long-term vision. He spent 12 years in Central America and Serbia with CHF International (now Global Communities), an international non-profit that works closely with communities worldwide to bring about sustainable changes that improve the lives and livelihoods of the vulnerable. He's served on a wide variety of local, state, and university committees and boards, and is just finishing a stint on the Juneau Board of Education where he's served since 2014.

Newsletter Sponsorship

This time of the year is also a great opportunity to support the ASCE Juneau Branch through newsletter sponsorship. The cost of sponsorship is \$200 for a 2"x3.5" business card sized ad and \$250 for a 4"x6" sized ad. Your company's ad will run in the newsletter for the 2023-2024 season. Sponsors are also welcome to place announcements and job notices in the newsletter and on the Juneau Branch website. Sponsorship ad letters with more information were sent out at the end of August. If you did not receive one and would like to host your ad in the monthly newsletter, please reach out to chris@prohns.com.
