Brian Holst JEDC Executive Director

Brian Holst has served as the JEDC Executive Director since 2008 and drives strategic development, management of the institution's human and financial resources, and implementation of the Board's long-term vision. He spent 20 years working overseas, including several years in Central America and Serbia with CHF International (now Global Communities), an international non-profit that works closely with communities worldwide to bring about sustainable changes that improve the lives and livelihoods of the vulnerable. He's served on a wide variety of local, state, and university committees and boards, including the Juneau Board of Education, where he had served since 2014.

Each year, the Juneau Economic Development Council publishes its Juneau and Southeast Alaska Economic Indicators and Outlook Report that explores trends in employment and earnings, demographics, education, construction, business and industry, and more. Join us as we present key findings related to Juneau's demographics and migration, employment in the main sectors, cost of living, and housing. Through sharing this research, JEDC hopes to increase awareness and engage citizens in local and regional economic issues.

Newsletter Sponsorships

This time of the year is also a great opportunity to support the ASCE Juneau Branch through newsletter sponsorship. The cost of sponsorship is \$200 for a 2"x3.5" business card sized ad and \$250 for a 4"x6" sized ad. Your company's ad will run in the newsletter for the 2024-2025 season. Sponsors are also welcome to place announcements and job notices in the newsletter and on the Juneau Branch website. Sponsorship ad letters with more information were sent out recently. If you did not receive one and would like to host your ad in the monthly newsletter, please reach out to eva.melancon@gmail.com.
