

JANUARY MEETING ANNOUNCEMENT

This month we will be talking with:

Mike Campfield (MSB) & Steve Kari (Stantec)

Title:

Access Management Planning for Seldon Road Extension

The purpose of this project is to provide a new roadway connection between Church Road and Pittman Road and represents the next link in an east-west corridor envisioned to reach from Palmer to Houston. Design and construction will take place in two phases with the first phase beginning at Church Road and extending to the east end of Beverly Lake Road. The second phase will complete the connection to Pittman Road.

Please note the time and location change!
