

ASCE Mat-Su 8th Annual Scholarship Fundraiser Golf Tournament

Hole Sponsorship Donation Form

The Mat-Su chapter of the American Society of Civil Engineers (ASCE), its members and the local business community provide scholarships for graduating high school seniors and Mat-Su College undergraduates in the Valley. The scholarships are intended to reward students who are interested in pursuing an education/career in engineering and have shown excellence in their academics, extracurricular activities and community involvement.

To contribute to the scholarship fund, please complete this form and send it along with your donation to the address below. The suggested donation amount for a hole sponsorship is \$350. If this is the first time you will be sponsoring a hole or if your company logo has changed, please also send a digital copy of your company logo or other image you would like to display at the tee box. Files may be e-mailed to the contact below. Thank you.
