&

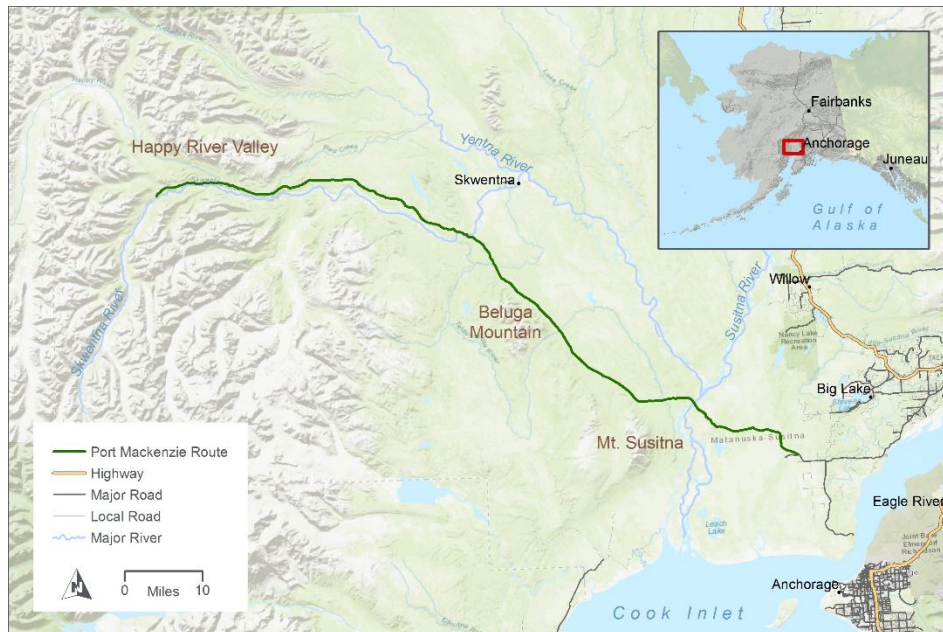

Wescott Bott, PE with HDR

Project Manger

Title:

West Susitna Access Road

The Alaska Industrial Development and Export Authority (AIDEA), in coordination with the Matanuska-Susitna Borough (MSB) and industry partners, is in the pre-development planning stage for a multi-use public access road leading to resource development opportunities west of the Susitna River and in the Skwentna River valley. The proposed project is called the West Susitna Access Road and its purpose is to diversify the state and borough economy and lead to job creation. The project is currently at the preliminary engineering stage and future work plans include environmental baseline studies, advancement of engineering, identification of alternatives, and initiation of the NEPA process.
