

NOVEMBER 2021 MEETING ANNOUNCEMENT

This month we will be hearing from:

Steve Reed with HDL Engineering Consultants

Title:

Douglas Highway Surface & Sidewalk Repairs, Stage 1

HDL recently provided CA services for DOT&PF on the Douglas Hwy in Juneau. This presentation will give a summary of the construction this summer. This project completed reconstructing and resurfacing the Douglas Highway from Egan Drive to about 700 feet south of Cordova Street in Juneau. Project elements include ADA improvements, storm drain replacement, storm drain rehab with cure-in-place pipe, bridge expansion joint improvements, and paving. Presented by construction project engineer Steve Reed, PE.
