

JANUARY 2022 MEETING ANNOUNCEMENT

This month we will be hearing from:

Sharen Walsh, P.E., AMPE

Title:

Port of Alaska Modernization Program

Sharen Walsh is the Director of the Port of Alaska Modernization Program (PAMP). She joined the Port as Deputy Director in 2014 and has been serving as the PAMP Director since 2019.

Sharen is a lifelong Alaskan. She has a bachelor's degree in civil engineering from the University of Notre Dame and is a registered civil engineer. She has 43 years of experience in design engineering, construction management, and construction contracting in both the public and private sectors. In addition to her work at the Port, her project experience includes: housing, water, and sewer work in rural Alaska; defense contracting projects on Joint Base Elmendorf Richardson and on the Aleutian Islands of Adak and Shemya; and roads and drainage projects in the Municipality of Anchorage.

WHEN: January 12, 2022 1200 - 1300

WHERE: Microsoft Team Meeting
Please refer to the Branch Website for the meeting link or to the meeting notice email.
