

# MAY 2022 MEETING ANNOUNCEMENT

This month we will be hearing from:

***Robert Thurston, CTO***

**Title:**

***Cyber Security Threats***

As Chief Technology Officer at Ampersand, Rob is responsible for providing vision, guidance, planning, and execution for technology services supporting client business goals. Rob leads an outstanding cross-functional team, including Sales Engineering, Product Management, Infrastructure & Operations, Software Engineering, Enterprise Architecture and Information Security professionals.

Rob's mission is to deliver exceptional outcomes that enable his clients to achieve their greatest ambitions through impeccable understanding, clarity of vision, and attention to detail.

Many organizations are struggling with the impacts of cyber security threats, from ransomware to advanced cyber-crime. This briefing will overview the nature of the threat landscape facing businesses and will outline some "quick win" strategies that organizations and individuals can adopt to improve their overall cyber security posture.

**WHEN:** May 11, 2022 1200 - 1300

**WHERE:** Hybrid: 4770 Doty Circle, Wasilla AK 99645 (FREE PIZZA)
