

MAY 2025 MEETING ANNOUNCEMENT

This month we will be hearing from:

Jeff Smith

Title:

Mat-Su Borough Central Landfill Programs and Updates

Jeff Smith is the Mat-Su Borough's Solid Waste Division Manager. He has a Bachelors degree in Business Administration and has been in the waste industry since 2004. Jeff's role in the waste industry largely consists of work as a general manager for hauling companies, recycling (Material Recovery Facilities) and landfills. He has worked for government agencies in California and Alaska as well as small and large waste companies in the private sector. Prior to that Jeff worked in the trucking industry.

Jeff's presentation will focus on providing updates to the Mat-Su Borough Landfill including a new collection site, technology upgrades, leachate management systems that will be in place this summer, new compost programs being developed, and services offered by the landfill.
