SPECIAL NOTICES

Upcoming ASCE MIB Meetings / Save The Date

(Please contact us to share dates for upcoming events of interest to the membership)

Pathways over Piques seeking assistance

We have been asked to notify our membership of a need for support on the Piques Run Trail. There is a grassroots campaign to restore the Nowland Avenue Bridge in Spades Park. Built in 1903, it's the oldest Luten Bridge left in Indianapolis with considerable historical and architectural significance. But it has been neglected for years and allowed to deteriorate. It is also holding up progress on the 5.3 mile Piques Run Trail because it falls along the proposed route and must be repaired before the trail can continue. Those who would like to donate to this cause can find more information at <http://popindy.org/>

ASCE MIB Younger Members: If you are not on the YM email distribution list and would like to be, or would like to learn more about the group, please contact Skyler Potts pottssa@bv.com.

ASCE Sustainability Committee: The ASCE MIB Sustainability Committee is always looking for new members. Please contact Jessica Eichhorst at jeichhorst@hntb.com or go to www.ascemibsustainabilitycommittee.com for more information.

Upcoming Continuing Education Opportunities: A Continuing Education Schedule of seminars and workshops in the coming months in our area and/or of possible interest to our membership is maintained in this newsletter, as we are notified. In addition to these opportunities, many other educational opportunities can be found at the ASCE website <http://mylearning.asce.org/diweb/catalog/t/2116/c/79/o/t/n/4>

Job Shadowing: If you or someone in your organization is interested in hosting job shadowing opportunities, please let us know! Occasionally, we (ASCE-MIB) receive requests from local schools and organizations to provide young people an opportunity to learn more about Civil Engineering. If you are interested, contact Kevin Sutterer at ASCE.MIB.Secretary@gmail.com. Please list the disciplines of Civil Engineering that your firm represents. Kevin will maintain a list of firms and disciplines for future job shadowing requests.

Continuing Education Requirements for Indiana PEs: A listing of the Continuing Education Rules is available at: <http://www.in.gov/pla/engineer.htm>.

Newsletter Sponsors: Each newsletter is received by over 1,000 individual engineers who are members of our Branch, representing hundreds of consultants, public agencies, contractors, suppliers and private clients across central Indiana. As a sponsor, your company name and contact information would be prominently displayed on the front page of an upcoming newsletter which is also posted on the Indiana Section webpage. Sponsorship is \$125. If you are interested in sponsoring a newsletter, please contact Jason Tayler at ASCE.MIB.Treas@gmail.com or at 317.267.8200.

Employment Ad Section: An employment ad section is included with the newsletter. Various positions are advertised throughout the year! The ads are read by over 1,000 engineers in the MIB through this newsletter, as well as over 1,600 engineers statewide through the website. Employers are able to directly target the engineers they are seeking instead of paying extra to advertise to drivers or nurses. Rates are competitive at \$250 per month. The ad should be sent to the ASCE MIB Secretary in MSWord or PDF format by the 15th of the month for publication in the following month's newsletter. Payment should be sent to the ASCE MIB Treasurer. Contact information can be found in the newsletter or via the website.
