ASCE MICHIGAN SECTION Southeastern Branch

ASCE SE Michigan Branch

2025-2026 Winter Newsletter

Save the Date - Join us for a technical session covering various civil engineering topics and earn 5 continuing education credits:

Friday February 26, 2026

Michigan Welcome Center – Mexicantown

9am - 3pm, lunch included

$50 for members

More to come!

Don't forget to save the date for the 2026 ASCE SE MI Branch Annual Meeting this Spring!

Friday April 17, 2026 | Time TBD

Location TBD

ASCE Member Advantages

Did you know that your membership can save you on car rentals, auto insurance, life insurance, hotels, and much more? Check out the savings opportunities by clicking below.

Member Advantages

The 2025 Fall was a fun time with our Branch events. See below for a few of the member events we held:

4th Annual ASCE SE Michigan Branch Sporting Clay Event

The 4th Annual Sporting Clay Event was held on October 2, 2025 at the Detroit Gun Club. The event hosted several teams to a sporting clay tournament, networking, and an awards ceremony with a steak dinner. Mark your calendars for our 5th Annual Sporting Clay Event in the fall of 2026!

Webinar Hosted by Mannik Smith Group

CPT VS. SPT - Geotechnical Applications in Poor Soils was a huge success. Thanks to Mannik Smith Group for sponsoring!

Seeking Members for Open Technical Chair Positions

We are currently looking for local professionals to fill chair seats for our Technical Activities Committee for next year (Winter/Spring 2026). We are aiming to get the year moving with technical presentations and/or job site tours, and we could use YOUR help!!! Typically, the volunteer committee chair coordinates and plans the details of a presentation/tour/event and I, as the Director, will work with our secretary to disseminate the event information to local ASCE and engineering community.

We ask our committee chair to plan 1 to 2 presentation/tour/events across the year. We have the following chair seats open currently: Structural Chair, Environmental Chair, and Transportation Chair.

Inquire Here with Holly!

2026 Golf Outing

The ASCE SE Michigan Branch YMG will be hosting the 31st Annual Golf Outing at Greystone Golf Club in Washington, MI in June 2026. Be on the lookout for registration in the coming months.

Greystone Golf Club

2026-2027 Sponsorships

Lastly, we are looking for 2026-2027 ASCE SE Michigan Branch sponsors! Please consider supporting our branch for the coming year! If interested, please reach out to our team!

SOILS & STRUCTURES

50 YEARS

Geotechnical Engineering | Pavement Design Services
Structural Steel Detailing | Structural Engineering
Laboratory Testing | Construction Materials Testing

Geotechnical Engineering:

- Geotechnical Investigations (in-house rigs)
- Earth Retaining Wall Design (seawall, segmental, boulder & bin block walls)
- Sheet Piling & Cofferdam Design
- Slope Stability Analysis
- Shallow & Deep Foundation Designs (including Settlement Analysis)
- Pile Dynamic Analysis (PDA) Testing
- Pile & Plate Load Testing
- Geotechnical Instrumentation (including Vibration, Lateral Deflection, Groundwater Monitoring)
- Infiltration Testing
- Laboratory & Field Material Testing & Inspection (AASHTO Accredited Lab)

Structural Engineering:

- Building Superstructure & Substructure
- Design Renovation of Existing Structures
- Pile Supported Foundations Design
- Temporary Shoring Design
- Equipment Foundations Design
- Structural Steel Detailing
- Drafting in AutoCAD, Revit, SDS/2 & Bluebeam

Construction Materials Testing:

- Concrete Testing
- Soil Density & Aggregate Testing
- Fireproofing
- Asphalt Testing
- Floor Flatness Testing
- Reinforcing Steel Inspection
- EIFS Inspection
