Dear Colleagues,

On Saturday, October 23, 2021, the Nashville Branch of the American Society of Civil Engineers will proudly host its 100th Anniversary Celebration. The event will mark a century of dedication, engagement, and commitment between ASCE and Middle Tennessee.

The Celebration will be held at the Millennium Maxwell House, 2025 Rosa L Parks Blvd, Nashville, TN 37228. We will celebrate 100 years of ASCE in Middle Tennessee with dinner and casino night! The evening will begin at 6:00 pm with networking and libations, followed by awards dinner, and festive mingling until 10 PM. A brief recognition of dignitaries and sponsors will be recognized during the event program. The evening will honor the accomplishments of the Section/Branch since its inception in 1921 and the thousands of professional engineers who have contributed to the construction, growth and legacy of this great city and its suburbia. Throughout the evening a video will highlight civil engineering achievements throughout Middle Tennessee.

We are inviting your firm / organization to attend and sponsor this centennial celebration of our profession. Enclosed is a list of the sponsorship levels, benefits, and general information on attending. As a sponsor, you will be visibly recognized as part of this wonderful networking opportunity. Further, you will be supporting one of the Middle Tennessee based organizations responsible for construction of this great city and region. Should you need further information or have questions about the event please contact me directly.

On behalf of our committee, we would like to thank you for your consideration and look forward to celebrating with you at the ASCE Nashville Branch's 100th Anniversary!

Very truly yours,

Kenneth Perkins, P.E. & Eric Gardner, P.E.
