

July 29, 2025

**June 2025**

Hello ,

Is anyone else catching themselves craning their neck to watch the new Nissan Stadium construction while driving by, or is it just me? The progress has been impressive, and this month, we're excited to welcome representatives from Turner Construction to share their firsthand experience on the project. This is a must-attend presentation, so be sure to register soon.

Thank you to everyone who participated in the golf tournament last month. We had a great turnout and are looking forward to the next one!

Our Younger Members have two great events planned for next month, so be sure to mark your calendars.

Lastly, we've added new Job Postings for our Sustaining Members. Want to post open positions for your company? Become a Sustaining Member today.

*-Emily Reed, ASCE Nashville Branch President*

## Meeting Minute

Please join us this month to hear from Michaela Kirk and others from Turner Construction Company on the new Nissan Stadium and construction thus far. Project kickoff, construction, the reasoning behind the new stadium and how construction so close the Cumberland River is safe while limiting any impact. This is a new eye-catching construction project implementing a new phase in the Nashville scene along the Cumberland River.

The June Branch Meeting will be held on Thursday June 19th from 11:30am to 1pm at the Brentwood Library, Registration closes on Wednesday June 18th

## [REGISTER FOR THE MEETING](#)

## Upcoming Events

- June Branch Meeting - June 19th, 11:30am, Brentwood Library
- YMG Site Visit - July 11th, 10:00am, Foley Products
- YMG Social Event - July 16th, 7:30pm, NSC vs Columbus, GEODIS Park

## Younger Member Group

Upcoming ASCE YMG Events – Mark Your Calendar!

ASCE Nashville Younger Member Group has two great events coming up this July!

 Foley Products Site Visit – July 11 at 10:00 AM

Join us for a tour of Foley Products, a regional manufacturer of precast concrete storm drainage and sanitary sewer products. This is a great

opportunity to see the production process up close and learn more about how these essential materials support our infrastructure projects.

 [Register for the Foley Products Site Visit](#)

 Nashville SC Game – July 16 at 7:30 PM

Come cheer on Nashville SC as they take on Columbus at GEODIS Park! Tickets are just \$26 and include a seat with our group. Enjoy a fun evening of while networking with fellow young professionals. Only 20 spots available, so register early!

 [Register for the Nashville SC Game](#)

We hope to see you at one—or both—of these events!

**JOIN ASCE YMG FOR**

**NASHVILLE VS COLUMBUS**

**GEODIS PARK**

**JULY 16<sup>TH</sup> AT 7:30 PM**

**\$26/ticket**

***Spots are limited, register today!***

## In Memory of Clint Camp

We are deeply saddened to share the passing of our friend and colleague, Clint Camp, PE, who passed on May 21, 2025. Clint was a dedicated member of the ASCE Nashville Branch, serving in various leadership roles over the years, including Branch President, Board Member, Sustaining Membership

Committee Chair, and Endowment Committee Chair. His passing is felt across ASCE leadership and the broader engineering community. Clint had a way of knowing and being known by everyone, and we are grateful to have had him as part of our group.

## 2025 ASCE Nashville Branch Sustaining Membership Campaign

The Nashville Branch of ASCE excels in engaging and bringing together Middle Tennessee's civil engineering professionals, our partners, and the public, thereby providing unparalleled value to its members and their careers. The Branch remains focused on developing leadership, advancing technology, and advocating for lifelong learning, all while promoting the profession. This year, we will continue to offer monthly technical lunch meetings, Younger Member Group, and social opportunities, such as our annual golf tournament, bowling tournament, and more.

To financially support and sustain the Branch's ongoing mission, the Sustaining Member Campaign was created. Through the steadfast support of our Sponsors, the Branch has been able to grow as an organization, enrich its members, and further its mission for over 100 years. Over the past few years, the Nashville Branch Board expanded the Sustaining Member Campaign to provide a support program to the Younger Member Group. This year, to reach more firms, the Board is returning to the previous campaign benefits and reducing the cost. The details are listed below. We look forward to seeing your membership to the Sustaining Member Campaign.

### Sustaining Member Campaign Details:

- 2025 Cost: **\$200** per Member Firm per year
- Benefits:
  - Sustaining Member firms are promoted by including their company name/logo in each edition of our e-newsletter, A Level Line (11 editions)

per year); on the Nashville Branch website; and onscreen during the introduction to the monthly branch meetings and programs.

- Sustaining Member firms are eligible to place company job postings on our website and in A Level Line.
- Timeframe: The Nashville Branch is accepting Sustaining Members for the 2025 calendar year through September 2025.
- Goal: 30 Members Firms
- Signing up: Use the link below

## Register for a Sustaining Membership Here

Thank you in advance for your support of the Nashville Branch and its mission. We look forward your valuable support. If you have any questions concerning your Sustaining Member Sponsorship, don't hesitate to contact Suzanne Herron at 615-946-0058 or [sherron@nashvilleasce.org](mailto:sherron@nashvilleasce.org).

## Educational Outreach

The ASCE Nashville Branch would like to offer our support with any opportunities to all K-12 schools covered under our Branch's 39 county jurisdiction. If you are curious which counties that is, [click here](#). If you know any schools that are particularly struggling with outreach activities or fostering collaborative STEAM programs, please have them contact us and we'd be happy to help! If you are interested in getting engaged with outreach and helping students, contact [Justin Corbitt](#). Also, we are happy to help with school supply drives!

Additionally, ACE is looking for mentors for this year's after-school program and there may opportunities to mentor virtually. For details on getting involved contact [Janey Camp](#).

## Welcome New Members!

- Phillip Buell, P.E., M.ASCE
- Michael Mayer, S.M.ASCE
- Sydney Reddoch, P.E., M.ASCE
- David Burris, S.M.ASCE
- Cooper Mattice, A.M.ASCE

- Kristopher Kent, S.M.ASCE
- William Smith, Aff.M.ASCE
- Nathan Chenault, S.M.ASCE

## Become a Volunteer

There are many opportunities for you to become involved in the Nashville Branch leadership. We always need help in our many committees, from members to chairs. This is a great way to see your Society at the ground roots level, learn how your Branch is governed, and prepare for an officer's role in the future. We need help with meeting registration, sustaining membership, educational outreach, budget, younger members group, and

more. Please speak with the current Committee Chair or a Board member for more information.

## Job Postings

### Michael Baker

The Nashville Michael Baker office is looking for a Roadway Engineer ready to take the next step in their career and help expand our group. Our ideal candidate would be flexible and versatile, with ORD experience. We can be flexible on experience for the right candidate! Please reach out to Kevin Sigg at [kevin.sigg@mbakerintl.com](mailto:kevin.sigg@mbakerintl.com) for more information or apply directly below!

**Apply Today!**

### STV

STV is growing in Tennessee – and we're looking for talented engineers to join our dynamic team! Explore our exciting opportunities:

- **Civil/Roadway Engineer** (4+ years): Design transportation infrastructure, support interdisciplinary projects, coordinate design teams, mentor younger staff.
- **Roadway Engineering Specialist** (2+ years): Assist with roadway design, interact with client management teams, create OpenRoads models.

- **Structural Engineering Specialist** (0+ years): Design and analyze new and existing bridges, produce construction documents, interact with clients.

Interested in being at the forefront of innovative design projects and making an impact to your community?

## GarzaEMC

Whether you're starting your career or looking to take the next step, GarzaEMC offers a collaborative environment where civil engineers are empowered to lead, grow, and make a meaningful impact. With hands-on mentorship and exposure to a wide range of projects, you'll have the opportunity to advance your skills while helping deliver vital infrastructure and development solutions. Please apply at [Careers – GarzaEMC](#)

• **Engineer Associate (EIT), Land Development – Nashville, TN (recent graduates accepted)** The primary purpose of the Engineer Associate is to support our project engineers and managers in the development and execution of civil design projects. This role is ideal for early-career engineers who are eager to grow their technical skills and contribute to meaningful infrastructure and land development projects.

• **Professional Engineer (PE), Land Development – Nashville, TN (4+ years)** A Professional Engineer (PE) serves as a technical and managerial lead on civil engineering design projects. This role functions as an Assistant Project Manager, responsible for overseeing design execution, coordinating permitting efforts, and supporting project delivery. The Professional Engineer is expected to take ownership of tasks, manage internal coordination, and serve as a secondary point of contact for clients when the Project Manager is unavailable.
