# 2023 STUDENT SCHOLARSHIP DONATIONS

## YOUR CHANCE TO SUPPORT STUDENTS AND GIVE BACK!

The American Society of Civil Engineers San Jose Branch (SJ Branch), a 501(c)3 non-profit, seeks your support for the student scholarship program. The scholarship program's purpose is to provide support to civil engineering students at San Jose State University (SJSU), Santa Clara University (SCU), and Stanford University. The SJ Branch is dedicated to empowering the next generation of civil engineers by holding the scholarship competition, regardless of financial background or academic grade criteria. Your contribution will allow us to reward the most exceptional essays and help deserving students in their academic journey.

The Student Scholarship Essay Contest would not be possible without the support of local civil engineering companies and individual donations. We kindly request engineering firms to donate funds ranging from \$1,000 to \$5,000 to support our scholarship program. The SJ Branch will be accepting online PayPal payments or checks, see below for details. As a thank you to donating firms, the SJ Branch will provide firms with access to student resumes. In addition, we will recognize all donors during the Student Scholarship Essay Awards Banquet. Your generous contributions can make a tremendous difference in the lives of these students.

Thank you for your generous contribution,  
ASCE San Jose Branch

### HOW TO DONATE

OPTION 1) Donation payment online at [https://www.paypal.com/donate?campaign\\_id=LFKRDP8QFXVMY](https://www.paypal.com/donate?campaign_id=LFKRDP8QFXVMY) . (online payment will incur additional fees)
